## Regulations on GHG and Ozone Depleting Substances

In accordance with the regulations listed below, products manufactured by Gurit do not contain any substances listed in the Annexes of the regulations. As such the products are not subject to related prohibitions, restrictions, or quotas.

- Regulation (EU) 2024/573 of the European Parliament and of the Council of 7 February 2024 on fluorinated greenhouse gases, amending Directive (EU) 2019/1937 and repealing Regulation (EU) No 517/2014
- Regulation (EU) 2024/590 of the European Parliament and of the Council of 7 February 2024 on substances that deplete the ozone layer, and repealing Regulation (EC) No 1005/2009

*The information provided in this Declaration is correct to the best of our knowledge at the date of its publication.*

*The information relates only to the specific designated goods and may not be valid for such goods used in combination with any other goods, products, materials or in any process, unless specified in the text. Given the variety of factors that can affect the use and application of our goods, some of which are exclusively within the user's knowledge and control, it is essential that the user evaluates our goods to determine whether they are fit for a particular purpose and suitable for user's method of use or application. The Company specifically excludes any warranty of fitness for purpose of the goods other than as set out in writing by the Company. The Company reserves the right to change specifications without notice and Customers should satisfy themselves that information relied on by the Customer is that which is currently published by the Company on its website. The Gurit Terms and Conditions of Sale available at Gurit's website ([www.gurit.com](http://www.gurit.com)) apply to any sales of goods and any advice or recommendation given in relation to the goods.*
