

GLOBAL LEADER IN PERFORMANCE MATERIALS

EMPOWERING OUR CUSTOMERS' ENERGY-EFFICIENT SOLUTIONS

Our vision is to be the global leader in high-performance materials that empower energy-efficient solutions across key industries. Our advanced composite materials help our customers build lighter, stronger, and more sustainable components in the wind energy, marine, transportation, construction, defense, home & work solutions and beyond. By enabling these sectors to reduce energy use and improve durability, we actively contribute to a cleaner, more efficient future while reducing environmental impact.

THE GURIT VISION

Gurit

WE INNOVATE SUSTAINABLE MATERIAL SOLUTIONS FOR A CLEANER, BETTER FUTURE

Our mission is to develop and deliver innovative, sustainable material solutions that help build a cleaner, better future. We achieve this through a strong culture of innovation, a deep commitment to sustainability, and a relentless focus on operational excellence. Our people are at the heart of everything we do - driving progress, collaborating with customers, and ensuring that our solutions make a lasting, positive impact across all industries.

A background image showing a close-up of two hands shaking in a firm grip, symbolizing a business agreement or partnership. The image is overlaid with several semi-transparent geometric shapes: a large teal triangle on the left, a smaller teal triangle below it, and a dark purple trapezoid at the bottom. The text is white and positioned over these shapes.

CUSTOMER FOCUS

We orientate our work to the needs of our customers.

We want to achieve profitable growth together with our customers through innovation and competitiveness.

THE GURIT VALUES

Gurit

SUCCESSFUL TOGETHER

To be successful together we take ownership and accept the related responsibilities.

We cultivate mutual respect, acceptance and personal growth.

We act honestly and we walk the talk.

THE GURIT VALUES

Gurit

SUSTAINABILITY

In all we do, we take care of the social, environmental, governance and economic aspects of sustainability.

We behave responsibly.

INNOVATION

A photograph of a male scientist with curly brown hair, wearing a white lab coat and clear safety glasses. He is looking through the eyepiece of a black Olympus microscope. The background is a laboratory with various equipment and another person partially visible. The image is overlaid with a large, semi-transparent blue geometric shape that contains the text.

We pioneer solutions to the world's energy and lightweighting challenges through materials and processes.

We encourage curiosity and harness innovation.

We inspire growth through learning and bold action.
